

SRI LANKA TSUNAMI RELIEF PROJECT

Though in December 2004 a **'BIG UNSTOPPABLE KILLER WAVE'** shook the world, destroyed life and shattered hope, the second **'More Powerful Wave of Compassion, Caring and Love,** is helping to bring back Hope and Renewed Opportunities.

With the donations received to date, we have been able to provide 60 temporary shelters, tools and equipment needed, to make a living, such as fishing nets, a boat, carpenter's tools, electricians tools and sewing machines, etc.

A recent Cyclone that hit the same area had destroyed 17 homes. We were able to provide funds to build 5 new homes.

THE ON GOING COLLECTION OF BOTTLES AND POP CANS also enables us to continue our work.

One step  at a time with many more steps ahead.

Our sincere thanks and deep appreciation to the most generous and caring donors.

Peace and Blessings
